

## Ghulam Hassan

This is a short story about Ghulam Hassan who is very aged and also a victim of Asthma. During the floods he lost his home and his livestock and decided to migrate from Chah Kate Wala to another village Chowdwan, where he could find support from his relatives. So during flood all of his assets including his house were destroyed, he had no way to survive in Chah Kate Wala village he decided to migrate to another village chowdwan to live with his relative. In the meantime SEED team visited the village and asked about displaced people from ABG. During the assessment SEED team selected Ghulam Hussan as beneficiary deserving a size 14'X14' shelter.

Ghulam Hassan is very happy and thankful to God and SEED/Concern for supporting him by providing shelter to a shelter less family. He is hoping that the family may re-start their livelihood and be able to take care of his family.
