

## Haq Nawaz

Haq Nawaz 62 year old is a blind man living in Cha Kate Wala with his family. Due to the 2010 floods he faced many hardships by losing his house and the economic mainstay of the family in the shape of livestock. He had been spending sleepless nights in his tent during the harsh winter and the unbearable summer heat. He has been complaining about incidence of many diseases and with their precarious economic condition is unable to afford seeing a doctor or purchase medicines. SEED shelter project assessment team visited the village and with help of the ABG assessed a size 14'X14' shelter for Haq Nawaz and his family. He is very happy to move into his own shelter and feels protected and in turn is able to provide protection and shelter to his family.
